CURRICULAR ACTIVITIES

GOOGLE DEVELOPER CLUB
I served as the organizer in GDSC DAVIET, arranging various events. I created event posters, managed event organization, and coordinated team efforts.

PROJECTS

Sunny Immigrations | LIVE-SITE
| ReactJs, TailwindCSS, NodeJs, MySQL and AWS

- Implemented an admin dashboard for smooth management of website content and functionality.
- Created multiple pages including Contact Us, About Us, and Home Page to provide detailed information and enhance user experience.
- Utilized MySQL and AWS for database management and hosting, ensuring reliable and scalable website performance.

SKK ERP SYSTEM | GITHUB-REPO | DEMO
| React, Tailwind,NodeJs Material UI, Botpress and Context API

- Created and deployed a comprehensive ERP system to streamline core business operations.
- Built a user-friendly interface with light and dark mode options for enhanced user experience and accessibility.
- Incorporated various custom themes to provide users with personalization options.
- Built functionalities including login, product management, customer management, order tracking, and product inventory.
- Engineered a customizable chatbot feature for efficient customer interaction and information retrieval.

AI-POWERED FORM BUILDER PROJECT | LIVE-SITE
| Nextjs, Shadcn UI, Tailwind, Drizzel ORM, PostgraceSQL, clerk, stripe

- Smart Form Creation: Builds forms in seconds based on prompts, saving development time.
- Seamless User Flow: Landing page, login, customizable builder, and live preview for perfect forms.
- Centralized Responses: Stores all submissions for easy access and Excel export.
- Secure Payments: Integrates Stripe for secure payment options within forms.

VS Code Extension | PrettierTheme | DOWNLOAD-LINK
| Open Source, VS-Code , Debugging | 930+ Downloads

- **Improved Readability**: Carefully chosen colors and fonts make your code easier on the eyes, enhancing visual comfort.
- **Boosted Productivity:** The intuitive design minimizes distractions, helping you stay focused and efficient.
